

CVSE Risk Assessment Policy COVID-19

Authors	Kate Lunn
Policy Lead	Kate Lunn
Date Ratified by Trustees	July 2020
Status	Ratified
Last Review Date	September 2021
Policy Number	

Introduction.

The welfare of children and staff are held of paramount importance to CVSE.

These new regulations are in addition to Risk Assessment (RA) requirements already stipulated.

This policy must be adhered to by all staff.

The planning guide for primary schools 2020 has been used to risk assess and plan for the reopening of the kindergarten sessions.

These additional requirements are to be implemented to reduce the risk of cross contamination and spreading the COVID 19 virus.

CVSE will follow all local and national guidance regarding isolation.

Risk assessments

There will be new risk assessments written for:

- The kindergarten session
- Health and safety

These are held in the COVID-19 file in the office

Additions to current Risk Assessments

- Food and drink
- Health and safety
- Handwashing and toileting
- Cleaning

These are held in the COVID-19 file in the office

Related policies

- Safeguarding
- Health and safety
- Staff clothing

These are held in the COVID-19 file in the office

Monitoring compliance and effectiveness

- All staff must adhere to this policy
- This policy will remain in place until all restrictions for COVID-19 are lifted or local guidance dictate otherwise
